### Prayer/Meditation:

#### A Prayer for Courage

May we find a glow of light  
deep in the place of courage, just below the heart  
where the breath swells  
and the spine straightens  
May we remember our strength  
And the strength that multiplies in the circle,  
in the crowd, in the People  
May we kindle a fire of hope  
in our words and deeds  
Stoked by our belief in freedom, justice and love  
May we know the power of deep listening,  
find the balm of compassion,  
Know the power  
of right timing  
of right action  
May courage find us worthy companions  
And accompany our walks, our commitments and our prayers.
