Prayer/Meditation:

As we look to the East each morning, to the rising sun, may we begin again with hope.
May we feel the hope that is sent with each donation given.
May we feel the hope in the acts of the survivors, helpers and heroes.
Renew OUR hope by their strength and courage.
And so, like Hope, we will Rise.

Also, Warren Lynn's "Meditation for Mindful Response To a World in Such Great Need" (click here for PDF version) is great for use during a labyrinth walk.
