We are all related

Dear Global Labyrinth Community,

Please join the Native Elders as they create a Global ceremony to end massacre and all that massacre means and to begin the deep process to heal our hearts on **December 29th at noon**.

If you join a community labyrinth walk or quietly use the finger labyrinth on the other side of this page, please register your participation and send a message to be shared during the Ceremony at Wounded Knee on their site (<http://healingheartsatwoundedknee.com/global/ceremony-registration/>). You can also see where events are happening all over the world. When you register your event please enter in the "Notes to staff" section that you are a part of the **Veriditas GHR community**—Let's show them that our global community cares!

HEALING HEARTS AT WOUNDED KNEE

Toward Indigenous and Global Healing
Our Call for Healing

You personally, your family, your friends, your community, your tribe, your church, your loved ones, your not so loved ones, your nation, your people, orphans, all homeless and hermits; We invite you to join in

Healing Hearts at Wounded Knee
Inaugural Global Ceremony to End Massacre
Tuesday, December 29, 2015, 12 Noon

ALL OF HUMANITY suffers multi-lineal, multi-generational trauma and carries a grief so deep, so profound, so massive as to bring us to our knees in awe, overwhelm, shock, and pain buried in denial. We have WOUNDED KNEES! WE HAVE WOUNDED HEARTS! All peoples have suffered for so very long, indeed our Earth is suffering with us! The choice is clearly dawning — either grow and heal together or perish if we continue alone.

Please join us by gathering at your local sites of massacre, holocaust, places of human grief and suffering, places of worship, or in your own home to perform ceremony with us.

A prayer for your walk.....

Dearest, Most Precious, Most Beautiful Native Indigenous Peoples of Each Land...

Now is the time for the great turning.

We are being healed by Great Spirit, Great Mystery, its Power and Love.

We are being called by Great Spirit to lead a great healing.

On this December 29th, 2015 at 12 noon around the Earth:

We initiate the tide of healing and ending war, massacre, racism, genocide, holocaust, rape, mutilation, slavery, and deceit; we pledge to end these acts.

We pledge to embrace Love and Peace. As our unique Indigenous relationship with the Earth and with all her citizenry is honored and shared with all of humankind, thus blooms our leadership as we share these sacred gifts.

We are returning all of our lost souls back into remembrance of who we are! With Love we face our abomination and the wisdom, the understanding, the compassion, the forgiveness explodes! Epiphany!

We who suffer, who know privation, who endure rape, torture and dismemberment, who have died in gnawing shame;

We who have lost our homes, our families, our lives, it is time to come home.

It is time to empty our prisons, forgive and heal our transgressions.

We are all the same.

We are ONE.

It is time to feed the hungry, house the homeless, clothe the naked, embrace our too rich and unhoard our stores, and our homes.

Yes! And yes!

We are awakening.

We are being pulled out of our slumber however deep.

We do this for Ourselves, for our Dearest, Most Precious, Most Wonderful — our Children, all Children, grandchildren, great grandchildren; for our Ancestors, back beyond time; for the flowers, honey bees, gnats and weevils, weasels, mountains, streams, clouds, birds, shores.... Our precious Earth.

We do this For All!
