**Quote:** “The earth has music for those who listen.” –William Shakespeare

**Picture/Symbol:** Grounded and centered, green

**Prayer/Meditation:**

### **A Poem for Earth**

In gratitude and love, we pause  
and breathe with you, dear planet Earth.  
We bask in your vast energy and vivid  
examples of constant creation and growth.

We bask.

You teach us resilience and faith  
as you demonstrate balance over disorder,  
hope assuaging loss, and how to bloom  
despite it all.

We give thanks.

We practice “earthing,” feet anchored in  
grassy soil  
or toes in glittered sand as we absorb your  
healing ions  
and open to ancient whispers from angels  
reminding us to grow, grow.

We heal.
